

Silver Youth Achievement Award

Name:

3 C 3 •

to the Agored Cymru Cymru Qualification

Youth Cymru provides a credit-based learning system giving you the opportunity to obtain learning credits. This way of learning is accredited through an independent Awarding body known as Agored Cymru. The credits you will achieve are acknowledged nationally and can be added to and built upon as you continue to learn.

How do I get a credit?

The workbook provided will guide you step by step through the work you need to include, to meet the criteria for credit Awarded for units.

What will I need to do?

- Work with your tutors to meet all learning outcomes and assessment criteria. This requires you to complete all set tasks within the work booklet provided.
- Extra sheets may be included.
- Work can be complete, written, verbally and through observational reports.
- Include any additional evidence: this could be training notes, personal notes, photographs, newspaper articles, video coverage of activities, handouts, leaflets and evidence from your work relating to the assessment criteria and learning outcomes.
- > Be observed demonstrating the relevant tasks. Tutor/witness statements need to be signed by the supervisor/trainer/tutor/colleague who witness the task.
- When you have completed the work please return it to your tutor/responsible officer.

What will happen next?

Your work will be presented to an internal/external verifier for accreditation.

When this has been completed we will send your work back to you along with your certificates from Agored Cymru acknowledging your achievement.

Young Leaders Qualification

The accreditation will count towards the Agored Cymru Level 2 Young Leaders qualification

Youth Achievement Awards Agored Cymru Accreditation

What are Credits and Levels?

- Credits indicate the quantity of your learning achievements, in 10 hour blocks; which will be Awarded at one or more levels.
- > Entry Level provides a basis for progression to other learning programmes within the framework.

- Bronze Level One is comparable to Level 1 and GCSE grades D to G STANDARD
- Silver Level Two is comparable to Level 2 and GCSE A* to C.
- → Gold/Platinum Level Three is comparable to Level 3, AS Level and A Level.

How will my learning be assessed?

- Courses usually give you credit for what you do as you learn. The method of assessment will vary according to the type and level of course you are on. Assessment could range from looking at evidence of what you have achieved during the course to undertaking assignments or set pieces of work. Your tutor will be able to provide details of the types of assessment used for a course.
- The coursework you produce, such as garments, assignments, computer print outs and any further created work is known as evidence of achievement and shows your tutor what you have learnt.
- The evidence of achievement will be looked at during verification. An internal/external verifier from Agored Cymru Cymru may also visit your course to talk to people about their experience and look at examples of their work.
- Finally, the external verifier will confirm the credits and level you have achieved.

What can I do with my credits?

Agored Cymru Cymru credits are accepted as a means of entry to further education, employment or training.

You can use your credits to demonstrate your achievements and prove that you have knowledge and skills in a wide range of subjects.

Depending on which level of course you take, you can use the credits to progress onto other courses.

Contact your local colleges and other providers to find out more about what opportunities are open to you.

to the Silver Youth Achievement Award

This Award is all about you helping to plan and organise activities – or Challenges, as we like to say. You could organise anything from a sports day for your community to a residential trip, it's completely up to you!

During this Award you will complete a minimum of four Challenges, spending at least 10-15 hours on each Challenge (60 hours in total).

Each Challenge could work towards one big project, or they could all be completely different, whatever you prefer. This mays ound like a lot but it's actually pretty easy to achieve when you think about it – with researching and planning your idea, taking part in the actual activity and then looking back on your Targetss, the hours soon add up.

Are you happy for us to photocopy your completed portfolio for use in staff and volunteer training? We will erase all personal details (including your name) before we do so.
