COVID 19. Youth Cymru Chair Statement

Hello to all our members, during what can only be called unprecedented times! As Chair of Youth Cymru, I wanted to drop you all a quick note to thank you for all of the work that you are currently undertaking to keep young people safe and well as with over twenty-five years' experience of working with young people, I have never experienced anything like this! I also wanted to reassure you that all of our staff team are working incredibly hard to keep you informed of key developments that can support your work with young people. We are aware that each and every one of you have had to work very differently, thinking outside of the box to ensure you are able to support and reach as many young people as you can, and I just wanted to take this time to assure you that all of us at Youth Cymru are here to support you every step of the way.

As youth provision has had to close, youth workers and youth support workers have had to adapt and deliver services to all young people, which are essential services for those in need. Youth Services are always a front-line service for young people, but even more so during the during the Covid-19 pandemic. A recent article in the Guardian recognises the value Young People place upon regular contact with Youth Workers and Youth Support Workers, and how services are looking to change and develop going forward. You can read more about how these are helping young people nationally and locally [here](#). Most importantly, this is a time when we are all working together to support young people and keep them safe and well. This newsletter provides an overview of some of the services and projects we deliver, which include 'Reach Out' 'Digital Exclusion and our 'Energy Saving' project, with many more detailed on our website [here](#). To ensure you are kept up to date with key developments to support your work with young people during this critical time, please subscribe to the Welsh Government Youth Work Newsletter (details below). Before I bid you all a fond farewell, I would like to remind you not to underestimate the power of your work and its contribution to helping young people and communities during this very challenging time.

Keep smiling and supporting young people,

Emma Chivers

Support for LGBT+ young people during Covid-19

Youth Cymru were proud to add our name to a message to LGBT+ children and young people, alongside LGBT+ youth organisations from across the UK and Ireland. We know that lockdown is particularly difficult for LGBT+ young people who live with people who do not accept or respect their identity.

Youth Cymru, along with a network of LGBT+ youth organisations, want LGBT+ young people to know that we are still here to support you.

Our Belong group for trans, non-binary and questioning young people (aged 17-25), run in partnership with The Amber Project, is continuing to operate, with weekly sessions taking place online. Young people have taken part in games and quizzes and have redeveloped their group agreement to reflect meeting digitally.

Digital Resources for the Third and Youth Sector in Wales

A resource of digital tools, tips and strategies to enable the third and youth sector in Wales to work better digitally. Maintained by ProMo-Cymru on behalf of the Interim Youth Work Board's Digital Youth Work Advisory Group and supported by CWVYS, Urdd, Swansea MAD, Welsh Government and local authorities in Wales. Are you working with young people who are digitally excluded / unable to access Covid-19 information online?

What

The Children, Young People and Education Committee would like to understand the Covid-19 impact on children, young people and education and have released a digital channel to invite views from organisations and young people – you can find out more about this online route [here](#). However the Committee is also keen to hear directly from young people who may not be able to access online provisions.

Why

The Committee is keen to identify and work with key organisations and partner to ensure that the experiences of young people from across Wales are sought and heard. Ideally, we would be looking to draw on some of this information to inform evidence sessions over the weeks ahead.

When

The Call for Views a rolling inquiry. We're hoping to receive views/questions/experiences over time, to inform the questions posted and scrutiny undertaken. The first scrutiny session was held with the Minister for Education

It would be great to be able to pose issues raised directly by children and young people at these sessions. More will follow in the coming weeks. You can see the schedule as its confirmed [here](#).

We realise, however, that frontline services have an enormous workload at the moment. As such, we would be grateful for views as and when they emerge.

How to get involved

If you are working with children or young people that may like to contribute their thoughts and experiences, or ask a Welsh Government Minister about the decisions made that are having an effect on them during this time, please email catherine.mckeag@assembly.wales to discuss how to best collect and collate this response.

If you are not a member of Youth Cymru please see our website for free membership. We will add you to our mailing list and you will receive our newsletter with all the latest information.

We will have new and exciting projects ahead, so please keep in touch.

Ydych chi'n gweithio gyda phobl ifanc sydd wedi'u gwahardd yn ddigidol / sy'n methu â chyrchu gwybodaeth Covid-19 ar- lein?

Beth

Hoffai'r Pwyllgor Plant, Pobl Ifanc ac Addysg ddeall effaith Covid-19 ar blant, pobl ifanc ac addysg ac maent wedi rhyddhau sianel ddigidol i wahodd barn gan sefydliadau a phobl ifanc - gallwch ddarganfod mwy am y llwybr ar-lein hwn [yma](#). Fodd bynnag, mae'r Pwyllgor hefyd yn awyddus i glywed yn uniongyrchol gan bobl ifanc nad ydynt efallai'n gallu cyrchu darpariaethau ar-lein.

Pryd

Rydym yn gobeithio derbyn barn / cwestiynau / profiadau dros amser, i lywio'r cwestiynau a bostiwyd a'r craffu a wnaed. Cynhaliwyd y sesiwn graffu gyntaf gyda'r Gweinidog Addysg

Byddai'n wych gallu codi materion a godwyd yn uniongyrchol gan blant a phobl ifanc yn y sesiynau hyn. Bydd mwy yn dilyn yn ystod yr wythnosau nesaf. Gallwch weld yr amserlen [YMA](#).

Sylweddolwn, fodd bynnag, fod gan wasanaethau rheng flaen lwyth gwaith enfawr ar hyn o bryd. Felly does dim brys mawr, ond cyn cynted a phosib

Pam

Mae'r Pwyllgor yn awyddus i nodi a gweithio gyda sefydliadau a phartner allweddol i sicrhau bod profiadau pobl ifanc o bob rhan o Gymru yn cael eu ceisio a'u clywed. Yn ddelfrydol, byddem yn edrych ar dynnu rhywfaint o'r wybodaeth hon i lywio sesiynau tystiolaeth dros yr wythnosau i ddod.

Sut i gymrud rhan

Os ydych yn gweithio gyda phlant neu bobl ifanc a allai hoffi gyfrannu eu syniadau a'u profiadau, neu ofyn i Weinidog Llywodraeth Cymru am y penderfyniadau a wneir sy'n cael effaith arnynt yn ystod y cyfnod hwn, os gwelwch yn dda e-bostiwyd Catherine. mckeag@senedd.wales i drafod sut i gorau casglu a choladu ymateb hwn.

MAE GWAITH IEUENCTID YN NEWID BYWYDAU

Os nad ydych chi'n aelod o Youth Cymru ewch at ein gwefan i gael aelodaeth am ddim. Byddwn yn eich ychwanegu at ein rhestr bostio a byddwch yn derbyn ein cylchlythyr gyda'r holl wybodaeth ddiweddaraf.
